**Nurturing instruction  
and performance opportunity  
for all ages & levels**

## A Message from Xuan & Ye:

Classical ballet technique is an intangible treasure, passed down through generations of master teachers to inspire grace and beauty throughout physical form. At OIBA, we create a nurturing environment within which students can tap into their full potential. Teaching through explanation and clear demonstration, we inspire students to focus and find their own voice in dance.

*OIBA students improve  
physical development, social  
awareness, cognitive skills,  
emotional maturity, and  
artistic sensitivity, all while  
having fun and making friends!*

OIBA's teaching method is based on the Vaganova Method combined with the directors' personal experiences dancing around the world. Our goal is to help each child maintain their playfulness and joy as they grow to achieve their highest level of technical proficiency.

## About Us

Through excellence in ballet instruction and uniquely nurturing mentorship, OIBA teachers instill beauty, confidence, health, love and responsibility, inspiring students to fulfill their dreams.

OIBA is at once a world class institution and a warm international family. The experiences and connections of Directors Xuan Cheng and Ye Li provide students with a platform to perform on stages around the world, allowing each dancer an opportunity to explore the journey of their own happiness onstage.
